

ST ANTHONY'S SCHOOL

1:1 iPad Program - Acceptable Use Agreement 2017

*This policy applies to students in years 4, 5 & 6 who have an iPad for school use
and is in addition to the St Anthony's Acceptable use of Technology Policy*

A light beneath our feet

INTRODUCTION

The focus of the Student iPad Program at St Anthony's School is to provide students with the tools that prepare them for a technologically immersed world. Integrating iPads effectively in the curricula is essential for increasing student learning outcomes, active engagement, motivation, and self-initiated learning.

Privacy, Copyright, User Rights

Parents / carers must certify that all content stored on the device is compliant with copyright law and regulations. All content including but not limited to files, photos, videos and music must remain appropriate, as deemed by the School, at all times. The School retains the right to review the content of any device registered under this agreement.

Setup and use at school

Students will be accessing Internet through the School network. The School constantly monitors and filters internet usage, using the Catholic Education Office filtering system. The School may block student access to the School network. The school requires parents/carers to remove the SIM card from any cellular devices (3G or 4G) to prevent any unfiltered browsing from occurring at school. While at school, the iPad is a learning tool and educational device, not an entertainment device. Therefore, it is to be used for learning, not entertainment. Games and other entertainment apps are not to be used during school times.

St Anthony's school uses the ZuluDesk Mobile Device Management system to organise, filter, restrict and install apps to iPads used on the school network. As such, all iPads are required to be enrolled in this system at the school.

Security and Damage

Students will be responsible for their own device and protective cases are recommended. Teachers will direct students to appropriate storage locations for their devices when they are not being used. St Anthony's School takes no responsibility for any loss or damage incurred to the device either at school or in transit to and from school and insurance is the responsibility of the family in Years 5 & 6 and is part of the lease agreement in Year 4.

Student Responsibilities:

The use of the iPad at school is a privilege. Inappropriate or unauthorised use of the device at school may result in this privilege being removed. The student must:

- ✓ bring the iPad to school each day fully charged.
- ✓ have all required apps loaded and ready to be used.
- ✓ ensure the device has the memory space available to attend to the required learning tasks in the class.
- ✓ not share passwords or private information with anyone else.
- ✓ follow all rules as stated in the St Anthony's Acceptable use of Technology Policy.
- ✓ only use the device in the classroom when allowed by the classroom teacher.
- ✓ not download any apps, music or videos at school unless directed by the teacher.
- ✓ only take photos and record sound or video when it is part of a class lesson as directed by their teacher.
- ✓ seek permission from individuals involved before publishing or transmitting photos, sound or video to others or online.
- ✓ enable a passcode on their iPads and not share their passcode with other students, but parents / carers must know the passcode.

Family Responsibilities:

- ✓ It is expected that the iPad will be brought to school each day and will be available for school related work by the student at home.
- ✓ Parents / carers should notify the classroom teacher if their child is unable to bring the iPad to school.
- ✓ Parents / carers are responsible for monitoring their child's use of the iPad/internet at home. A family discussion/agreement is recommended.
- ✓ Parents / carers are required to check the content of their child's iPad on a regular basis to ensure that all content is appropriate.
- ✓ Parents / carers are requested to disable the use of the messages app on the iPad.
- ✓ An Apple ID is required to download apps and other content onto the iPad. The owner of an Apple ID must be at least 13 years old; hence parents/carers are responsible for the Apple ID used with the iPad and what content is downloaded. Parents / carers are also responsible for installing all updates on the iPad. School apps will be deployed to the iPad by the school through ZuluDesk.
- ✓ Parents / carers acknowledge students breaching these guidelines will be subject to the school's Behaviour Management policy.

We have read, understand, and agree to follow all responsibilities as outlined above.
