

**ST ANTHONY'S SCHOOL, WANNEROO**

**Coronavirus (COVID-19) Update as at November 19, 2020**

**CHANGES TO THE WESTERN AUSTRALIA (WA) BORDER ARRANGEMENT WITH SOUTH AUSTRALIA (SA)**

Dear Parents and Carers

As you would be aware, the WA government has reintroduced a 'hard border' for people entering the state from South Australia. This parallels the requirements for entry of persons from New South Wales and Victoria.

Anyone seeking approval to enter WA who has been in South Australia, New South Wales or Victoria in the previous 14 days will need to apply through the government G2G PASS (see G2G Pass for Travel to WA).

People permitted entry from South Australia, New South Wales or Victoria will need to self-quarantine at suitable premises for 14 days. If suitable premises are not available, they will be housed at a COVID-19 quarantine hotel at their own expense. Suitable premises are defined as premises where a person:

- has access to a private bedroom and bathroom;
- is able to receive food, toiletries and medication without making contact with people delivering these items;
- is not self-isolating at premises where elderly, immune-compromised people or persons who have underlying medical conditions also reside.

Additionally, arrivals from these states will be subject to a COVID-19 test within 48 hours of arrival and on day 11 of quarantine, or at any point when symptoms develop.

Please ensure that you can continue to emphasise good hygiene practices and stay home if you feel unwell.

Best wishes

Mark Marando  
Principal
