

ST ANTHONY'S SCHOOL, WANNEROO

Coronavirus (COVID-19) Update as at July 2, 2020

Dear Parents and Carers

From Term 3 the following procedures will be in place until further review.

Hygiene

Please continue to remind your child to wash and/or sanitize their hands regularly especially when entering and exiting their classroom, after going to the bathroom and before eating. Please also encourage them to wash their hands when leaving and returning home. There are ample dispensers of sanitizer around the school and at classroom entrances.

Parents and carers entering school grounds

Parents and carers can utilise the current drop off and collection points and process or may come into the school grounds to drop off and collect their children. To maintain physical distancing, and the safety of all in our community, parents and carers are not to enter classrooms and are not to congregate in the school grounds. To facilitate this, the gate near the library will continue to open at 8.20am. Students in Years 1-6 may be walked through the gate and then students can make their own way directly to the classroom. Students in 3yo Kindy, Kindy and Pre-Primary may be walked to the Kindy and Pre-Primary verandah area and dropped off at the verandah. When collecting your child, if not using the drive through pick-up, please park your car and attend the relevant collection point where you can then walk your child back to your car. If using the Church Carpark, please use the cross walk to avoid walking behind and through traffic. Again, please avoid congregating. The Kindy carpark will continue to be used for drive through pickup and drop off so can't be used for parking. If you are walking your child in, please use other parking options.

Uniform requirements will continue to be flexible for Term 3 where a child may wear any complete school uniform whilst physical visits to the uniform shop are not available. This means that the correct shoes and accessories need to be worn with each uniform. If you need to attend the uniform shop for a fitting, please contact the school office and a time will be made available for you.

School Library

The Library will be available for regular use where students will have access to the entire library. The library will also reopen at lunch times.

These have resumed where adequate plans have been put in place by the providers.
