

OSH Club COVID-19 Update – February 2 2021

Good morning Parents and Carers,

Further following clarification surrounding the Premiers announcement of the snap lockdown, OSH Club have been reviewing and seeking feedback for the possibility of providing our services for Wednesday, Thursday and Friday of this week.

There are several risks and complexities to providing these 3 days. Additionally, we have received extremely low requests for care and the broader community appears to have accepted the snap lock down well and are at home.

Based on this and recommendations from the relevant departments, the business has made a decision to align ourselves with the Premiers request of closing all education facilities and will also be closing our Out of School Hours Care services for the rest of this week.

We will communicate this to all families in the coming hours.

Thank you for your understanding and please don't hesitate to contact me directly if you would like to discuss further.

I look forward to working through what next week will look like as the information becomes available in the coming days.

Stay safe
