"A light beneath our feet"

February 4, 2022

Dear Parents and Carers,

Thank you to all the families who came to school early today to enjoy a second breakfast and the company of friends. It was a wonderful start to the new school year. The children certainly looked like they were enjoying themselves as you can see.

Special thanks to Fr Peter for celebrating our opening school mass in the undercover area today. It was such a joyful celebration. Despite the mass being in a different setting, the children rose to the occasion and maintained their mass reverence. Thanks also to those parents who were able to stay and participate in our mass today.

At 9.17 am this morning we received notification from CEWA that:

The Chief Health Officer has advised that schools should limit school gatherings of students and staff to class groups or small groups within a year level. This is to minimise the number of students or staff impacted by the presence of a positive case.

> *Assemblies: Class-based assembly or small group assembly within a year group is preferred to a whole school assembly.*

As a result, our Monday morning assemblies are cancelled until further notice. Children receiving awards will be presented with them in the classroom and posted on SeeSaw. Important notices will be given to the children over the PA system.

Unfortunately, this also means our Parent/Teacher meetings have to be cancelled. Teachers will record their presentation and post it on their class SeeSaw so that you do not miss any vital information.

Further updates as to the impact of COVID restrictions on schools will be given as they are sent to us from CEWA.

Wishing us all a wonderful 2022.

God bless,

T. Bandy.

Therese Bandy
Principal
