

"A light beneath our feet"

St Anthony's School Playgroup

Come and enjoy the fun at St Anthony's Playgroup at St Anthony's School Wanneroo!

Playgroup is where you can meet other parents and children in your local area in a welcoming, fun-filled environment. Your child will enjoy various age-appropriate activities in a friendly and safe environment. All children from birth to school age are welcome to attend the session.

At St Anthony's Playgroup, we welcome mums, dads, grandparents, caregivers, children and babies to meet in a safe, relaxed environment. Children can choose from a range of activities to suit their varying needs.

Activities at playgroup may include play dough, crafts, painting, reading books, puzzles and indoor and outdoor play. Each session will also include Story Time and Singing/ Rhyme Time.

Our Aim at St Anthony's Playgroup is to help parents and children have fun together in a space where they can relax, form connections and let their child build their curiosity. By participating in new experiences, children will develop social skills and foster an enjoyment of learning more about their world.

St Anthony's Playgroup is provided at no cost to families and by St Anthony's School Wanneroo to give back to our local community. Children are welcome to bring a healthy snack to eat at the end of the session.
