

St Anthony's Kindergarten Information 2023

'A light beneath our feet'

Early Years Learning Framework Outcomes

Outcome 1: Children have a strong sense of identity

Outcome 2: Children are connected with and contribute to their world

Outcome 3: Children have a strong sense of wellbeing

Outcome 4: Children are confident and involved learners

Outcome 5: Children are effective communicators

WHAT WILL YOUR CHILD DO AT KINDERGARTEN? In a word **PLAY!**

Exploratory play, dramatic play, creative play, manipulative play, language play, constructive play, physically active play, co-operative play...

...with blocks, paint, glue, play dough, water, sand, jigsaws, story books, dress-ups, games, balls, cubbies, swings, climbing frames, beams, slides and many other materials and pieces of equipment.

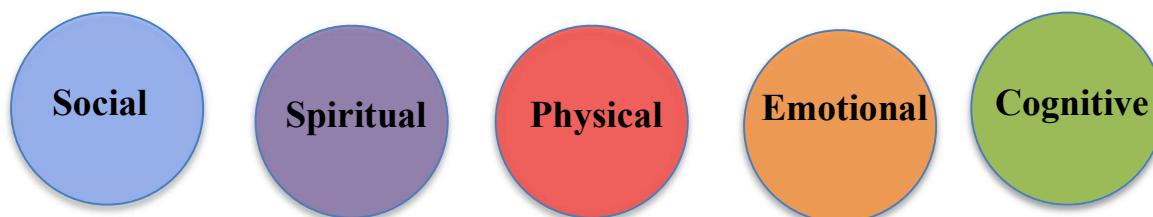

The numerous types of play provide the children with opportunities for:

- Speaking and communicating
- Listening, observing, exploring
- Manipulating and discovering
- Achieving success
- Relating to the environment
- Sharing and trusting self and others
- Developing creativity and imagination
- Co-operating and socialising

Out of which grows the child's:

- Knowledge and understanding
- Conceptual development
- Personal development
- Sense of self and self esteem
- Attitudes, appreciations and values
- Skills and abilities
- Self-expression and independence
- Fine and gross motor control
- **Love of learning**

Learning Domains:

Kindergarten

Program

The aim of our Kindergarten is to encourage all children to develop socially, physically, emotionally, intellectually and spiritually in a safe and happy environment. The Kindergarten program is structured so that learning experiences link to each child's individual level of development and interest. At Kindy, the children learn primarily through **PLAY** and **IMMERSION**. Our 2023 Kindergarten days are **Mondays, Wednesdays and Fridays**.

Uniform

Kindergarten children need to wear a red Kindergarten shirt, black school shorts, black velcro sneakers and school sports socks. School hats are also compulsory. In winter, children will need a blue school tracksuit. This uniform will help your child to differentiate between the routine of a Kindergarten Day compared to that of a non-Kindergarten Day. **All clothing that children are likely to remove during the day (eg. shoes, socks, jackets, hats, etc) should be clearly labelled.** Hair accessories must be school colours or red is also allowed in Kindy. Please no large bows as children need to be able to wear their hats. Please ensure that a change of clothes, suitable to the season, is always kept in your child's school bag. Children need to be able to take off and put on their own footwear so no lace-up shoes unless your child can do up their own shoelaces, please.

Hats

The school has a "No hat – no play" policy. It may be worthwhile leaving a spare school hat at the bottom of the bag for emergencies.

Fruit Box

Children are asked to bring their own fruit each day in a small container. This is to be **clearly marked** with your child's name and placed in the basket provided for your child to eat at recess. Other healthy foods such as cheese cubes or vegetable sticks may be included. No sugary snacks or nuts please.

Healthy Lunch

We ask that packed lunches only contain the amount of food that the children would normally eat for lunch. One round of sandwiches is probably sufficient for most children. Please note that cakes, chocolates, chips, biscuits and lollies are not considered part of a healthy lunch. If your child is still hungry after eating their sandwiches, an extra piece of fruit or yoghurt could be included. **No foods containing any sort of nuts are permitted at St Anthony's as we are an Allergy Aware School.**

Drink Bottle

Each day the children will need to bring a drink bottle containing **water**. As the children will be encouraged to drink water as often as possible throughout the day, please check that your child is able to open his/her drink bottle easily and close it securely. Children will be able to refill their water bottle as necessary throughout the day. Please do not send juice boxes in your child's lunchbox.

Birthdays

Birthdays are special to all children, so we like to celebrate their special day. Whilst it isn't necessary for your child to bring in food items to share for their birthday, if you do choose to send something in, please ensure items are individually wrapped and are not homemade. There will be a maximum of 30 children in each class. (Please remember to make treats NUT FREE). If you do not want your child to receive these treats, please inform the class teacher in writing and provide an alternative treat.

Car Park

Please exercise caution when driving in the school grounds. The car park can get very busy during the afternoon pickup period.

Health

For the sake of your child and the health of others *please do not send children to school if they are sick*. Children who have runny noses or persistent coughs should remain at home until well.

Arrival

The kindergarten doors will be opened at **8:40 am**. Children are NOT to play on playground equipment before or after school. Kindy parents will come into the school grounds to drop off and collect children via the Kindy gate.

Confidentiality

All children develop at different rates and have different strengths and weaknesses. When on roster, you will observe the many varying abilities within the kindergarten group. Please do not discuss these observations outside the classroom. If you have any concerns about what you have observed while on roster, please see the classroom teacher. Likewise, if you have any concerns about your own child's development or experiences at Kindy, please make a time to discuss these directly with the teacher.

Parent Communication Book

If another person (besides the child's parent) is picking your child up from Kindy, please record this in the Special Arrangement Book. Staff members will refer to this book when releasing children at the end of the day. If your circumstances change during the day and you are unable to pick up your child as planned, please telephone the school office and leave details of the new arrangements

Parent–Teacher Interviews

During the first two weeks of the school year, we would like to meet with each child's parent/s for a brief parent-teacher interview. These interviews will be conducted in the afternoons as kindergarten sessions finish at 2:00 pm. The purpose of these meetings is to discuss any information about your child that you think may be significant to his/her development or experiences at Kindy. Any information discussed will be treated as confidential. At the start of the year, an interview timetable will be posted near the door. Please select a suitable time slot for your interview. If, for any reason, you are unable to attend during the times given, please see your child's teacher to make alternative arrangements.

SEQTA messaging and Seesaw

Seesaw will be used as our main communication platform. The Seesaw app can be downloaded onto your device and a login code will be given at the beginning of the year. Photos and classroom information will be uploaded onto Seesaw on a regular basis. Teachers are unable to check messages on Seesaw during the classroom day therefore if it is important, please call the office.

Library

Children will require a school library bag (as per uniform order form) for book borrowing from the school library.

Sport

Children will participate in 2 sports lessons with our Sports Teacher each week to develop gross motor skills.

Kindergarten Times

School commences on Wednesday the 1st of February, 2023.

Weeks 1-2: 8:40 am – 2:00 pm

Week 3 onwards: 8:40 am – 2:45 pm

Please keep this information handy so you can refer to it from time to time throughout the year, as there is a lot to remember.
