Behavioural Expectations

- Every effort is made to provide a happy, supportive, student-centred learning environment that provides an optimal learning environment that fosters positive relationships, self-worth and a healthy self-image.
- Across the school, children earn green or pink slips for demonstrating appropriate behaviours in the classroom, playground, Church and at special events. When children are seen demonstrating appropriate behaviour a **green slip** may be handed out. Children keep their slips in plastic bags and once they have collected **5 green slips,** they swap them for a **pink slip**. Once a child has collected **5 pink slips,** they will earn a **St Anthony's Way Award**. This will be presented at the Monday morning assembly.
- Within the classroom, children will be given positive encouragement and reinforcement throughout the day. A parent/teacher interview will be arranged if concerns arise about any child's behaviour.

Students are asked not to bring the following items to school:

- **Phones and Smartwatches (cellular) - to be turned off and left in the front office on arrival and collected at the end of the day.**
- Chewing gum
- Dangerous objects
- Electronic devices

Further information regarding the School Behaviour Management Plan can be found on the school website at https://saw.wa.edu.au/our-school/policies-procedures/

BULLYING

Bullying is behaviour that is intentional, persistent and intended to humiliate. Bullying often forces the person/s bullied to feel disempowered and vulnerable to being isolated. Empowerment of each person to deal with and have control when placed in situations when bullying does occur, is vital in ensuring the bullying cycle is broken.

At St Anthony's School we believe that bullying falls under five broad categories:

- *PHYSICAL BULLYING*
- *EMOTIONAL BULLYING*
- *VERBAL BULLYING*
- *RELATIONAL BULLYING*
- *CYBER BULLYING*

For further information regarding St Anthony's School Bullying Procedure, please head to the school website: https://saw.wa.edu.au/our-school/policies-procedures/

Year Level Behaviour Management Plans/Class Charter

In our Year One classrooms, we implement the 1-2-3 Magic and Emotion Coaching program. This approach helps us manage children's behavior calmly and effectively while teaching them self-regulation skills.

When a child receives a third warning, they will have a brief time-out to reflect on their behavior. Following the time-out, we engage in a short discussion with the child about how their actions affected others and what they could do differently next time. The child then returns to the class.

Throughout the day, children receive plenty of positive encouragement and reinforcement. If a child consistently struggles with self-regulation, we will arrange a parent/teacher interview to discuss further support.
